

# UNNAT BHARAT ABHIYAN

A Flagship Program of MHRD, GOI

**University College of Engineering and Technology**

**Vinoba Bhave University**

**Hazaribag-825301**

## Introduction

- ⇒ Unnat Bharat Abhiyan (UBA) is inspired by the vision of change in rural development processes by including scientifically sound and knowledgeable institutions to help build the architecture for an inclusive India.
- ⇒ The current policy context urges institutions of national importance at national and state level to adopt villages and develop appropriate technologies.
- ⇒ The ultimate goal is to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.
- ⇒ UBA provides us a dream opportunity to channelize our energy with measurable outcomes.
- ⇒ It is a platform for showcasing one's ability to perform for rural society by both professionals and students from academic institutions.
- ⇒ Rural India is lagging in terms of awareness towards health, sanitation, digitization, women empowerment, various poverty eradication oriented GOI scheme etc, UBA will help in bridging this gap to Rural India through well known varsities.

## Proposed Area for Awareness

- ❖ Literacy
- ❖ Sanitation
- ❖ Digital India

### Adapted Village

VISIT TO VILLAGE “**BIRHAR TOLA, SADA  
BAHIYA**” (Block-Barkagaon) BY UCET  
TEAM ON : 5th JAN, 2018

## KEY OBSERVATIONS

1. Detailed exploration of village was carried out in order to accumulate happenings and status of development.
2. Visited primary school.
3. Interacted with public, youth of different age and caste(BC, SC and others).
4. Inspected their water and food facility ( PDS and Over Head Tank etc).
5. Interacted with people for our awareness regarding their awareness towards Sanitation, Literacy and Digital India, in precise and other awareness fields, in general.
6. Formally surveyed level of poverty and its repercussions.

## Activities performed in the village

1. Carried out awareness drive regarding Sanitation benefits, importance of Literacy, Digital India and its phenomenal results.
2. “Drinkable Water and nutritious food can sustain a life, at the same time if polluted water and under nutritious food are consumed, it can cause problem to present and future generations too”, with this motto we logically presented a general view to the natives of the village.
3. Distributed clothes and other daily use commodities to villagers.

## Various activities performed: A view through Photographs
